Do you remember the 'I Love Lucy' episode where she vamps Tennessee Ernie to try to get him to leave? (That didn't work.) Ever since we saw that show, we've been dressing as her vampy character for Halloween, and it's always a big hit. People our age usually know that episode and we often win the best costume prize.

Sandra & Persia

How can two women dressed like that lose. We don't; especially when we start kissing each other in costume and then start making out even more; and then undressing each other to reveal some of the sexiest lingerie the men or women at the party have ever seen. At the parties, we never strip nude or have sex in front of the guests, but we do stretch it to the limit and leave them wondering how far we will go, or how far we've gone. Once in a while we get each other so worked up that we'll go to a bedroom or bathroom to fuck each other, and if that doesn't work, we always have our cars.

Hi, I'm Kami and I love to feel good. So when there is no man around, I like to take things into my own hands and do what I've been doing almost every day for the last thirty-plus years. Today, it's just me and 'Bubbles' my trusty lavender dildo. It's my favorite choice if I'm going to spend the day exploring more than my pussy. But oh, I've said too much.

*Kami
Andrews*

Bubbles is just the best. It's like a combination of anal beads and dildo. I just love the segments because they make my sphincter muscle loosen and tighten as it goes in and out. Sometimes, I'll count the number of segments as it's going in just to feel which one makes me cum the best. And when I push it in and out quickly, it makes a 'brrr-ing' sound. I wish you were around to watch me in person, but the next best thing is the video of me that you can watch for free! Now that's pretty cool stuff, huh? So, just sit back and watch!

VAMPS WITH STAMPS

A CAREER CHALLENGE

It's a lazy Sunday afternoon here in muggy Dallas and I'm sitting at the kitchen table thinking about things. Things that I just have to write it down and I'll probably send it off to someone, so if you're reading this, I decided to mail it off. I know it will probably get long, but hopefully not boring. So please read on.

Like most women, my sister-in-law Emma likes to shop. One day she got carried away at the mall and spent almost all her rent money for May.

me Emma had thought of a way to pay us back the money.

It turns out that her husband's business trips were not all about business. She intercepted some text messages from ladies in the other cities but kept it all to herself. She said she had thought about fucking other men to get back at him, and to pay me back. She said she hadn't because she didn't know how to go about it and was afraid to go out alone with other men and then ask them for money?! I told her that if she was okay with revenge cheating on her man, I'd help her out. I wanted to get paid back, too.

The thought of sexing other men apparently excited her and so we sat down and formulated a plan. I told her if she were really serious I would help her. I somehow agreed and then she started squirming a bit. She said that I had to be there. I asked if she meant that she wanted me to actually be in the room while she fucked another guy? "Yes," she said. I agreed and told her that the night was still young and if she wanted to try it out tonight, so then we could leave in an hour or so. We talked a little more and she decided to dress in a short skirt and a low cut blouse, with no panties or bra. She went home to change and when she returned she was wearing a thigh-high skirt with a short slit in the side of it and a thin blouse that did little to hide her erect nipples.

Nine o'clock rolls around and we decided to go to a well-known nightclub with dinner and dancing, but also a reputation as a bit of a meat market. When we entered, all eyes turned towards her, then me, but then back to her. We took a booth back

I'M HORNY

I'm out there looking for booty. Mature booty, because I'm always horny and mature woman are easier to bed. Now don't get me wrong, I love women and I respect them, but let's face it, when you've been practicing long enough, you know the shortcuts. Besides they usually love to fuck, especially if they're newly divorced.

Jesse, Horn Dog

She then asks my wife if we would loan it to her so that her husband wouldn't know. We agreed and dropped a grand into her hands and told her to go right to the bank and put it in. Next month it was something else, and then another until she was into us for almost twenty five hundred dollars. I had to put a halt to it.

But Emma kept calling my wife who got mad at me for not helping her little sister. I didn't appreciate that because I had helped her and it was about time that she started paying us back or I was going to tell her husband. She begs me not to tell him, and I was surprised when she told

in the corner facing a table with a couple well-dressed men. She sat facing them and I told her while I went to get us drinks that I wanted her to spread her legs and flash them without being too obvious. By the time I got the drinks and got back to the table, one of the men was already talking to her.

I sat down and he said this is a hot lady you have here, and I said 'Yes, she is and she is my sex slave and will do anything I want her to do.' He asks me if I shared her and I told him 'Yes, but that she is expensive – and I had to watch.' He told me that he would give me a grand for the evening to do what ever he wanted to do to her.

I said she is all yours. We walked just across the street to the hotel where he was staying and took the elevator to his room. The door to his room wasn't shut well before he had both hands on her tits. I took a seat and watched as he lower his hand to her bare pussy and started fingering her and unbuttoned her blouse with his other hand, letting it slip off her arms to the floor. Now he lowers his mouth to her nipples sucking one and the other. I had been wondering how she would respond to a total stranger but he already had her moaning and squirming.

He took her to the bed, pushing her down on her back, spreading her legs wide and mounted her. She was so wet now that she took his eight-inch cock with one deep thrust. He left it in her for a while to let her get use to it and then begins to fuck her fast hard and deep like a machine. She's screaming for him to fuck her faster and was loving it. She screamed as they came together. I watched as he climbed on her and told her to suck his cock. She went to work on it. I was hard as a rock watching her on her back sucking him with her legs still spread out.

She was really working on his cock now and again he came in her mouth, just enough for her to taste it. He sent her to the bathroom to clean up as a knock came on the door. He answered the door and it was his two friends. Emma walked out of

the bathroom still nude and was shocked to see them standing there eyeing her up and down. I had agreed to collect a little more money as they took turns with her, fucking her pussy and mouth until two in the morning.

When we got home I asked her if she was all right and she said it felt so good and she had the best time of her life. I hugged her and kissed her on the forehead. I gave her a grand and told her she had earned it. I said that she earned the rest of it with the other two guys and we were even-Steven. I thought that having the money, even for a short while, gave her more confidence and she could actually see the benefits of her labor. Then she asks when are we going to get her fucked like that

TERA

I have a naturally youthful attitude toward life, and understanding of the absolute importance of joy. In this crazy world sometimes it is the most essential of needs that are left by the wayside. Since I have a great passion and inner need to care

again? I told her when hubby was on his next business trip to call me. But she didn't know if she could, or if she wanted to, wait that long. I'm glad she's found a good gig. By the way, in case you're wondering, my wife was in total support of what her sister did. Next time she wants to come along and watch, too.

ROLE MODELS

Last Tuesday, I came home late from work exhausted, threw my briefcase down and saw my husband just staring at me. I in-

for people, I am determined to cater to all of your needs: having an open ear for you, a gentle touch to your sex, experience erotic intimacy with all the bells and whistles that cum with it. Then I would bring you breakfast in bed and make you lick me all day.

stantly got a chill running through my body but had no reason to understand why. He took a sip from his brandy snifter and, without even saying 'how was your day,' told me to take my blouse off. I asked why, and then he said in a stern voice, "Because I say so."

I unbuttoned slowly, looking him straight in the eye and let it drop to the floor. He takes another sip, "Now the skirt." I unzipped it, and stood there in just my bra, panties and high heels. Then he softly demanded, "Take off your bra. Now your panties." I felt myself beginning to get wet. "Finger yourself, and make your nipples hard." I ran a finger down there and rubbed my button, and teased my nipples with my other hand as he watched, fully clothed, still sipping his brandy.

He told me to lick my fingers. I brought them up to my mouth and tasted myself. "I want you to come over here and take it out." I could see the big bulge pushing against his pants, and I undid his buckle, unzipped him and pulled his boxers down. I wrapped my fist around his hard cock, pumped it up and down a couple times, and lowered my head

every time it comes up." I started nibbling his slit as it slid up to my mouth. I licked the clear juice that started to bead on his slit, tasting the saltiness. He put his glass down. "Now go bend over the sofa arm." He stood up and got behind me and I felt the tip of his cock part my pussy lips, then I felt his hands on my waist. He pushed it into me, and started rhythmically fucking me. It felt so good.

He slapped my butt cheeks, and started going faster. I was pushing back into him, needing it. I could hear his groin slapping against my bottom as he started to drill me harder and harder. I told him I was close, and he went even faster and I felt the climax rise inside of me. I moaned as my body was overwhelmed with the spread of pleasure from my pussy and buried my head into the sofa seat. He kept giving it to me hard, as my orgasm ended, grunting, and then he stopped, then pushed it in as deep as he could, then pulled out.

He pulled out a bottle of lube and squirted some into his hand. He rubbed some on his cock and then stuck a finger into my ass. It was cold, but it didn't hurt. In fact it just heightened my pleasure. I knew what he was about to do and I couldn't wait. It had always been a secret fantasy of mine to get fucked in the ass. I couldn't believe it was happening. Then, not fast enough, he got in place behind me.

He pushed the tip of his cock into my ass and I leaned back so that he slid the rest of the way in. Then he started pumping in and out of me. As he built up steam and rhythm, my body felt like it was on fire. "I'm cumming, again!" I yelled. Then he pulled out of me and got up. "I want to see you with cum all over your face." I repositioned myself to sit on the sofa and looked up at him as he pumped his cock in front of my face. I opened my mouth and stuck out my tongue. It didn't take him long to shoot what he reserved into my mouth. "Now swallow." he said. I swallowed it down greedily and licked my fingers.

VERY PERSONAL AD:

My deluxe service is the best, and my no holes barred girlfriend porn star experience is hot, steaming hot! A service like mine is hard to find. I enjoy anal sex, double penetration, gagging, and deep throat. I love cum on my face, in my mouth, and all over me! I am a naughty girl at heart. I enjoy being with men who love life and pushing boundaries. Sucking cock is a talent. You can shove your cock down to the back of my throat, while gazing into my "cum fuck me" eyes. Let me be your cum slut as you take the money shot.

Natalie, Slutty Vamp

but he stopped me. "Now put it between your breasts." he said. I held it between my boobs, and pushed them together, and he slowly started thrusting between them as he took another sip of his drink.

"My dear, I want you to lick the head ev-

INSATIABLE

Yes, I am quite adventurous when it comes to sex and I need men that are just as experimental. I don't know what it is, but regular sex is okay, and I do a lot of it, but when the camera's on, I turn into a different animal, a performer willing to go to extreme lengths. Whatever the writers or directors want, I'm usually willing to do. If it's something really extreme, I will try it first without cameras to be sure I can do it.

Nikki
Hunter

When I practice, a third or fourth person has to watch so they be the 'camera' and tell me if I'm doing things right and how it will look in front of the camera. I don't hold back at all; I don't know how to. After all this is show biz and you are judged as good as your last performance. Okay, I know it's porn and no one will be getting a gold statue for it (yet) but that doesn't mean you have a right to short-change the production – or your fans. So, bring that hard cock over here and let me tongue it. Okay, C.B., I'm ready for my close up!

NYMPHOS

When Linda told me she found a new cock, I was excited to try it out. She said that it was a bit bigger than most and it took some getting used to. Besides, the guy that it was attached to was pretty cool and know how to wield it. I told her I was willing to give it a go, but only if she was there with me. I had been used to my husband's six inch and I was ready for bigger.

Linda & Aphrodite

I told Aphrodite I recently fucked this studly guy with a big cock and wanted her to try him. I knew she was frustrated over the years with her ex's small member. This would be good for her to stretch her pussy. She was intrigued and I told her I'd be there too and we could have a real good time. When we got over to his place, he was waiting for us and already hard. We wasted no time in getting it into our mouths, and these pictures tell the rest. Enjoy, we did.

'how experienced is he?' She knew right away what was going through my mind and giggled. I didn't know what she meant, but I realized shortly afterwards she meant she would take me home, or she could come home with me and have sex with me. I've never had sex with another female before, although I've goofed around in college back when I was a freshman and sophomore, but not as a

I love my breasts. I wouldn't change them. Guys love breasts, too. They seem to hold special powers, I sometimes think. So some days, like today, my breasts are offerings...

junior or senior. But that was over twenty years ago. No... not this year I haven't, either. Things are different this year. I thanked her and told her maybe I'd think about it for another time. She said it was okay and understood.

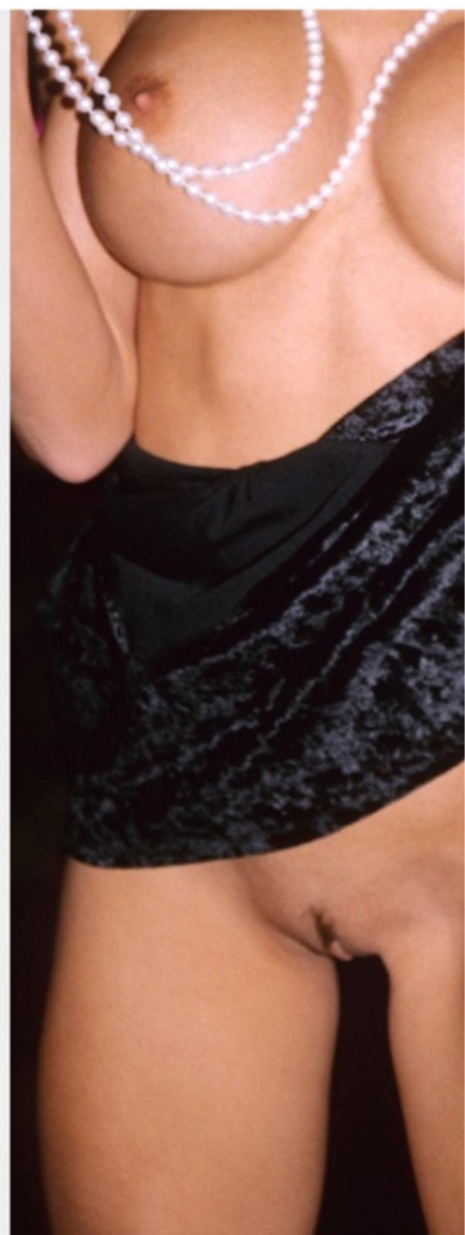

I stayed to closing once again trying not to be too obviously inebriated. His name was Ross, the new bartender. We talked as he cleaned the bar. He comes from a nice family. As he finished, I asked him what he wanted and he answered almost the exactly same way I would have. He had big hands with long slender fingers. It suggested to me only one thing, but I was wrong to a degree. I would not be disappointed because I was horny and anything would do. He was horny too. We didn't waste time as Ross made the first move. He leaned towards me as I watched his eyes close in on mine. It was beautiful.

He and I sat on my couch talking as he looked around my room and noticed how modestly decorated my room was adorned. While I looked with him, he laid his hand on my thigh moving it across and down to the inside of it. I happened to be wearing a skirt similar to the one the other night. Lightweight and cotton... a person could blow at it and it would

float up in the air. I liked it because of it's free floating texture, because the skirt always put me in a cheery mood. He liked it too because to him, I'm sure, it was an invitation to sex. I subtly opened my legs allowing him some movement, and then I opened up more. I wore a matching light-weight top. I hoped he would take notice and move in on my breasts. They are large and firm. I'd been told that they are everyman's wet dream and I've exploited them that way before.

I began to like Ross more and more. We began to kiss. I felt Ross' tongue. I tugged at him. I wanted Ross and me to make love terribly. I wanted Ross to unbutton my top and release my boobs, undo my skirt, and I wanted him to undress himself or let me undress him. My pussy moistened and dripped. His cock hardened I am sure, but I didn't know it. He unbuttoned me as I wished. I smiled with fear. I wanted that but I feared I wasn't doing the right thing either. Once he unbuttoned me completely, he didn't remove my top. He looked underneath and was overjoyed with what he saw. I was elated. I was anxious. I was hornier. I wanted Ross so much.

I love my breasts. I wouldn't change them. Guys love breasts, too. They seem to hold special powers, I sometimes think. So some days, like today, my breasts are offerings... to Ross. I am happy to offer them up to him. I am delighted. As he might think, two delicious mounds for him to enjoy all night long. He smiled and I knew I was right. Then I removed my skirt for him, too. Doing it said I was ready to make love to him. Ross took off his shirt. I liked Ross's chest right away. It was manly enough. I rubbed it. I liked it more. He smiled when I did. I asked him if he was smiling because of what I was doing. If it was nice. He said to me, "It's awesome." We laughed so I took off my top. He told me he was really turned on. I told him I was too. I

I don't know if I was out of touch with the dating scene or if I was just in the wrong place for a mature woman like me. Either way, it finally turned out to be the right place.

IT WAS A GOOD NIGHT

I didn't get laid all summer, but that may have been my fault. I didn't feel like talking to anyone during the day because the sun was too hot and I was sweaty. Who'll talk to a woman with sweat running down her body? So I got myself ready to go clubbing. Smell nice. Wear that new perfume. Get into my shortest dress and highest heels. The right man will notice all this... all the time I took to get ready for him. I'm waiting in anticipation for him. I'm more than just hungry for the right person, I am desperate for that man who wears that new cologne, walks up and slips his hand between my legs, rubbing my skirt as I sit atop my bar stool staring into his eyes. There is a desire running in me. It is mounting, gradually rising, and should I say it's becoming a raging mad ball of fire within me. As I become hornier for him, watching one after another walk past me, I get wetter and wetter. The moisture within has built to a credible amount that is soaking the crotch in my panties.

At the club... two plus hours have come and gone and I've looked around but no one, yes nobody has approached me this night, so I am going home. I really like the bartender. He has been sweet and gracious. He was so nice and wished things were different. He was not beautiful, but he was nice and gracious. He told me at the very last minute he'd ask me out if conditions were different. I thought I would have fucked him only because I

was bored, lonely, and already horny. I wouldn't tease... I'd simply fuck him for the fuck. Oddly, as I walked out I turned around and looked back at him. He was looking at me with a smile and he waved. It was a nice wave.

I didn't take advantage of my situation which was a good idea, maybe. Sometimes I wished I had. Just as I got into my car, some guy yelled out asking me why I was leaving so soon. I thought that was bold but told him "Yes I was, had to go." He said he wished I would have stayed so we could have danced. I thanked him in my own way but obviously not face to face. Using my imagination, my orgasmic Saturday night was while I slow danced with the guy who yelled out at me earlier. I climaxed while slow dancing with him. The orgasm was wild. In my fantasy, the guy was happy he could get me to orgasm while we slow danced. All he did while we danced was finger my clit, going underneath my skirt... and I loved it. I always love my fantasies. I've come up with some doozies I think.

Thursday... another boring day I told myself. I called an old friend who I knew to go shopping. I was going to ask her to go to the club but didn't. I went shopping with her but she and I really didn't have much in common by days end and it wasn't that fun... so that is why I didn't. Friday was another boring day. The summer days were passing fast. Was that a good thing? I didn't go clubbing at first. But by ten pm, I gave in and went over to the place.

Going into the club, I walked over to the bar. He wasn't working that night. I was disappointed. I asked the girl behind it and she said he was coming in soon to help out, if it was busy. I smiled because I was relieved. I needed someone to talk to. She and I talked for a while. It was an extremely slow night. There were two on duty, her, and another guy. He was new, but she told me he was experienced. I thought, since I was bored and lonely,

asked him to see what I meant and held his hand. He knew what I meant. I led it down between my legs so he could feel my panties. His eyes popped wide open. They were soaked. I blushed because I didn't realize how wet they actually were.

When I felt his bulge, which was magnificent, an indescribable rush waved throughout me. I asked him if I could take his pants off. He said yes. I was hot all over! I was going insane! I unbuckled his belt, unsnapped his pants, and unzipped them. They fell by themselves to the floor and he stepped out of them. Wearing briefs, I saw the splendor pushing hard against the inside of them. I thought he would be bigger, but he wasn't, and regardless, it didn't matter one bit. His size thrilled me either way. I went down on my knees, slipped his underwear off, looked up at him. I don't know what he assumed but all I did was hold it in my hands. Holding it and staring at it, I stroked it very, very slowly. He loved it. He closed his eyes. I loved doing it, too. Slowly, surely, I stroked his shaft, never being aggressive whatsoever. I loved how his cock felt in the clutches of my hands. It was long, stiff and lean just like him. Then I took it in my mouth and gave him the best blowjob a woman could give any man.

He was completely naked. He stared at my breasts. Ross, I could tell, adored them. I was overjoyed he found pleasure in them. He lifted me up, removed my bra and panties, and standing completely naked, he stared and stared as if gawking, but he said something quietly as if talking to himself almost. "They are the most beautiful breasts I've ever seen."

Then Ross put his arms around me and we kissed and kissed for a very long time. Bare naked, I turned holding his hands, and I walked back to my bedroom where I lay on my bed so he could make love to me. Lying next to me, Ross caressed my boobies, and then all around them. Ross quietly kissed and caressed me everywhere. When I say everywhere, I

mean anywhere and everywhere. It was and it wasn't intense. Building up to a moment of final ecstasy, Ross's hands swarmed over me in areas no one has ever touched me before.

Ross's fingers slipped inside my butt cheeks, slowly they inched their way through to my hole, yes... slowly, but

I squealed when feeling his fingers inside it, but I let him proceed. I began to love and enjoy it more and more. I backed my hips into his fingers and told him to replace them with his cock.

surely they made their way. Not forcing his way, he subtly slipped his fingers in my pussy wetting them down, and then delicately they went into my ass hole. I squealed when feeling his fingers inside it, but I let him proceed. I began to love and enjoy it more and more. I backed my hips into his fingers and told him to replace them with his cock. He did so immediately and I buckled from the largeness creeping into my tiny hole. I grabbed his hips and made him push into me more. Then I took his hands and brought them around me and down to my clit. What a feeling. I can't say if I felt it before. My sexuality was blooming and all the sensations seemed amplified. He brought one hand back up to my boobs and gently pinched the nipple.

We fucked like this for several minutes and then I got down on my elbows, lifting my butt higher for him. This was a signal to pump harder and he did. I counted twenty-two strokes... plunging thrusts into my ass and felt his warmth gush deep inside my anus. We collapsed on the bed, his weight on top of me. I was so turned on that he just touched me lightly on my clit and I came again. He not only made love to my boobs, he made love to my ass, my lips, my pussy, and more importantly, to me as a woman.

I'm a very sexual person, obviously, because I love to fuck. And I love having people watch me fuck. I'm great at giving blow jobs, and I'll give up my booty every once-in-a-while. I also love shopping, and if I can find a guy who will go to the mall shopping with me, he'll be in my good graces and soon he'll be in my mouth and pussy.

Lexi Bardot

Last week I was at The Galleria looking for a new sexy outfit to wear for the summer holidays. I was with a man that I like and we went into a store where I tried some things on. I would come out of the dressing room to show him the dresses and get his opinion, then, with no sales clerk around, I pulled him in and unzipped his pants. He was already hard from all the teasing I did as I was showing him the dresses. I took the last one off and in my bra and panties and on my knees, I sucked him off in the dressing room and he came in my mouth. I swallowed it all right then and there.

A woman with long dark hair, wearing a light blue one-piece swimsuit and a pearl necklace, is posing by a swimming pool. She is looking back over her shoulder at the camera with a smile. The word "RAVENOUS" is written in large, stylized white letters with a black outline across the middle of the image.

It was a hot day and we both were sweating. Making love to a man other than my ex was wild. I started licking his chest slid my hands into his pants. My fingers found the tip of his cock and he moaned. I went lower and grabbed his balls as his eight inch rod was pushing against his pants, which I quickly took off. He touched my pussy through my wet panty and I moaned.

India Summer

He begged me not to tease him. That made me wild beyond control. He removed my panties and started kissing me. I started biting his cock wildly and with lot of saliva in my mouth, I bathed his penis. He said he never had a such a wonderful blow job. After a few minutes, he could take it no longer and unloaded his cum in my mouth. I swallowed every drop of it, but was disappointed he couldn't hold on some more. That didn't matter, within minutes I got him hard again and you can see and hear the rest. I know you won't be disappointed because I wasn't!
